The Int'l Tube & Pipe Conference is engaged in improving the steel tube product quality, pushing forward the industrial upgrading, expanding the application of steel tube products and propelling the sustainable, healthy and fast development of steel tube industry in China and the world at large. Besides, Int'l Tube & Pipe Conference has proved to be an indispensable platform for the world tube & pipe industry to communicate and exchange experiences & ideas in aspects of production & trade, market & price, consumption & application, technology & equipment, and raw material, etc.

Top-notch speakers confirmed at this stage are:

1. Topic to be advised

Senior Official from China Iron & Steel Association

2. Demand for high performance steel pipe in oil industry

Mr. Li Helin, Academician, Chinese Academy of Engineering, Senior Consultant, Tubular Goods Research Institute, China National Petroleum Corporation

3. Status quo & development trend of China's steel tube industry

Mr. Yin Guomao, Academician, Chinese Academy of Engineering

4. Enhance international competitiveness of line pipe in China

Mr. Wang Xiaoxiang, Director, Welded Tube Academic Committee of Chinese Society for Metals

5. Status quo and development of cold-formed steel and welded pipe in China

Mr. Ding Guoliang, President, Cold-forming Steel Council of China Steel Construction Society

6. Application of steel tube in construction industry and its prospect

Mr. Chen Luru, Consultant, China Steel Construction Society

7. Acceleration of steel tube standard system development to promote industrial structure adjustment

Mr. Cheng Haitao, Vice President, Pangang Group Chengdu Steel & Vanadium Co., Ltd.

8. Analysis of steel tube billet technology, production and market in China

Mr. Zhang Wenji, President, Jiangyin Xingcheng Special Steel Co., Ltd

9. Construction of seamless steel tube production line in China

Mr. Lan Xingchang, Deputy General Manager, Steel Rolling Engineering Technology Institute, Capital Engineering & Research Incorporation Ltd.

10. Global development of hot-rolled seamless steel tube mill

Mr. Zhuang Gang, Secretary General, Steel Tube Association of China Steel Construction Society

11. Production equipment & technology of UOE welded pipe

Mr. Liu Yuwen, Vice President, Tube Pipe and Bar Business Unit, Baoshan Iron & Steel Co., Ltd.

12. Demand for boiler tube and its development prospect

Mr. Zhang Rui, Director, Industry Development Dept., Shanghai Power Equipment Research Institute

13. Manufacturing and development of 36000 ton extruder machinery

Mr. Li Hongyan, Vice President, Northern Heavy Machinery Group Co., Ltd.

14. Study on modern high collapse OCTG

Mr. Gustavo Lopez Turconi, Product Engineering Director, Technology, Tenaris

Mr. Juan Carlos Gonzalez, Product Development and Research Director, Technology, Tenaris

15. The latest generation of tube straightening machines—cost and quality improvements in tube finishing lines

Mr. Andreas Zimball, Sales Manager, REIKA GmbH & Co. KG

16. Designing tube mill rolls—turning art into science. Optimizing cage forming systems

Mr. Albert Sedlmaier, Managing Director, data M Sheet Metal Solutions GmbH

17. Topic to be advised

Senior executive from Sumitomo

September 19-21, 2010 Plaza Royale Oriental Shanghai, P.R. China

Int'l Tube & Pipe Conference 2010

Registration Instruction

- Register early and save USD100! The early bird registration deadline is July 15, 2010. All registration forms accompanied by full payment and received on or before July 15, 2010 will qualify for the early bird registration rate.
- Registration to the conference must be made by sending the filled out conference participation registration form and remittance of payment (by fax, email) directly to conference organization office.
- Badges and conference materials will be picked up at the conference registration desk at the Plaza Royale Oriental Shanghai on Sept.19,2010.

Hotel & Accommodation

The conference will be held at the Plaza Royale Oriental Shanghai. The hotel is conveniently located 15 minutes from the Shanghai New Int'l Expo Center

where the Tube China Exhibition is organized. Special rates have been secured for conference attendees at the hotel. When making reservations, please fill out the Hotel Reservation Form in this brochure and send it back to the Superb Business Conference & Exhibition Services with a copy to conference organizer. We have a limited block of rooms at the hotel; therefore, all rooms are on a first-come, first-served basis.

Call for Papers at Technical Workshop

Technical Workshop has always been an important part of the Conference where applicants are offered a platform to present their most up-to-date technologies & equipments in tube & pipe field. The Technical Workshop is designed for managers and engineers who are responsible for the design, construction and operation of tube & pipe technologies & equipments. Decision makers and those with technical responsibilities may also benefit from the Workshop by promoting their latest products and services.

Sponsor Information

With over 200 tube & pipe industry executives from around the world expected to attend the conference, sponsors have a unique opportunity to reach key industry decision-makers in a single location. There are a limited number of sponsorship packages, for more information, please contact Mr. Meng Jianbin by email at inco@mc-ccpit.com

Letter of Invitation

If you require an official invitation letter to get entry visa, please send your request to us via email or fax with following information included: name, company name, nationality, date of birth, passport number. The letter of invitation will be faxed to you within one week on your request.

Conference Arrangement

Sept. 19, 2010

On-site registration

Sept. 20, 2010

Conference presentations

Sept. 21, 2010

Morning: Conference and Technical Workshop presentations

Afternoon: Sightseeing tour to World Expo Shanghai 2010

Technical Workshop Application Form

Workshop Presentation Applicant Details:

Speech Title: _____

Speaker's Name & Position: Name (Mr / Ms) _____

Position _____ Division _____

Company _____

Address _____

Tel _____ Fax _____

E-mail _____
